

Certificate of Participation

This certifies that

Ademi Zarije

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Adigun Hazzan

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Annoni Emilio

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Ar Roiyyaan Rilwanu

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Aractingi Matthieu

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Armangeon Flavien

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Audoin Ilan

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Aurore Young

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Barbaresco Frederic

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Bargel Etienne

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Barre Sacha

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Barreau Maxime

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Bernheim Sacha

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Boccara Gabriel

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Bokov Vasilii

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Bonnaric Maxime

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Branco Mickael

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Brunel Hector

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Camier Léa

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Capannelli Kenji

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Carrera Edison

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Cassus Matthieu

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Couronné Lara

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Darmon Sarah

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Delarue Thibault

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Dias Rui

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Dupuy Géraud

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

El Bekai Anthony

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

El Mrabet Haje Houssam

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Fartas Helmi

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Fitouchi Julien

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Fresse-Colson Owen

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Gerritsma Fabian

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that
Ghazal Mona
has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.
<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Girin Hugo

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

GOGOI Prakritish

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Gondret Victor

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Gradova Ekaterina

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Grimbergen Jeroen

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that
Grivet Bastien
has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.
<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Guimaraes Danilo

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Hameury Jil

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Hoffmann Elianor

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

HUET Helio

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Hugo Izadi

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Jacquet Maxime

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

JAIN Samarth

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Jakob Michele

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Kaseb Zeynab

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Khan Md Shadnan Azwad

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Kisnapavan Sugeiva

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Kurkin Andrii

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

La Rivière Bowy

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Lam Hubert

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Lamirault Clothilde

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

LEE Sanghyeop

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Lefebvre Antoine

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Levy Maé

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Ley Tam'si

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Lipardi Vincenzo

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Madani Raneem

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Mahapatra Chitaranjan

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Mai Kieu Anh

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Maiti Soubhadra

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Medeiros Adrià

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

MEGUEBEL Mohamed

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Mirmand Bastien

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Mishra Abhishek

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Mittal Nehal

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Monbroussou Léo

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Morettini Gianluca

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Moukharski Iouri

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Mud Ruben

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

MUSTAPHA AIT LAMINE

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

NGO Tan Anh Khoa

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Nguyen Quang

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Nguyen Dinh Tien

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Oscar Boucher

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Oslovich Samuel

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Perez Thomas

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

QUACH Hoa Mai

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Richelli Pietro

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Roux Alexis

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that
saib waheeda
has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.
<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

SAJID Muneeb

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

Certificate of Participation

This certifies that

Saporiti Theo

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that
Satter Marnix
has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.
<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Terris Bethany

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Thanos Dimitrios

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

THUEGAZ Thibault

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Tonini Tancrède

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

TRINH Duc Nam

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Valvo Edmondo

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Ventura Meinersen Christian

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that
VU Van Binh
has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.
<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

YAPICI Gizem Nuran

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Yoseph Hutten

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that
YU Shengjie

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.
<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

ZHOU Xiaoxu

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>

Certificate of Participation

This certifies that

Zorzato Alberto

has participated in the Quantum PhD-Days 2025 conference

The Quantum PhD-Days 2025 is an international conference held on June 18–19, 2025 at Paris-Saclay (France), bringing together young researchers in quantum physics.

<https://quantum-phday25.sciencesconf.org/>
